

# Sierrablen® Plus

## Autumn & Winter with Pearl®

 All the key macronutrients

10 | 2.2 | 12.5 | 3.0  
N | P | K | Mg

### Description

If you're wondering how to bring your turfgrass through autumn and winter successively, reach for Sierrablen® Plus Autumn & Winter with Pearl® Technology. Designed for late summer or autumn application, this high-potassium NPK formula helps your turf fight off disease and the winter cold, while its reduced level of controlled-release nitrogen maintains steady growth throughout. Thanks to ICL's patented Pearl® technology, you can ensure stronger rooting and reduce phosphorus loss.

### Guaranteed analysis

#### Elemental

N	Total Nitrogen	10%
	Ammoniacal nitrogen (N-NH <sub>4</sub> )	2.1%
	Urea nitrogen (N-Urea)	7.9%
P	Phosphorus	2.2%
	Water soluble (P)	2.2%

K	Potassium	<b>12.5%</b>
	Water soluble (K)	12.5%
Ca	Calcium	<b>1.4%</b>
Mg	Magnesium	<b>3.0%</b>
	Water soluble (Mg)	1.5%

## Benefits

- Enhanced rooting and greater phosphorus efficiency
- Controlled-release nitrogen for steady growth
- Ideal for late summer or autumn application

## Application rates

Trial first on a small scale before changing the rate, application, or any other variables. As circumstances can differ and the application of our products is beyond our control, ICL cannot be held responsible for any adverse results.

## How to use

- 1 You should apply the fertilizer following mowing with a spreader.
- 2 Properly seal partly used or damaged bags.
- 3 Store under dry conditions.
- 4 If you need more information, please contact your technical support.

## Attention

Trial first on a small scale before changing the rate, application, or any other variables. As circumstances can differ and as the application of our products is beyond our control, ICL cannot be held responsible for any adverse results. Contact your ICL advisor for more detailed advice.
