## Description

The high nitrogen content of Greenmaster® Liquid High N delivers strong results fast but also with a sustained liquid response. The nitrogen comes from a blend of sources for maximum plant uptake. The full trace element package also looks after your turf's health and helps it recover from stress. And as a bonus, the added magnesium gives your turf a great color.

## Benefits

- High nitrogen content for quick initial effect, lasting up to 6 weeks
- Mixed nitrogen source for optimal plant uptake
- Improves turf health and stress recovery
