How to use

1

Universol Green is advised at the beginning of crop cycle, just applying Universol Yellow (high phosphate content).

- 2 Universol Green can be used for a longer period of time to get your crops growing nice and strong.
- 3 The product has the ideal balance of immediately available nitrate nitrogen and ammonium nitrogen for the medium to long term.
- 4 Properly seal partly used or damaged bags.
- 5 Store under dry conditions.
- 6 If you need more information, please contact your technical support.
