Description

Give your plants the best possible start in life with Start & Gro® 13-14-24. This starter fertilizer is ideal for all your potted, bedding, and nursery plants during their first few weeks of cultivation. Simply pre-mix straight into the plant substrate and watch your plants soak up this specially formulated fertilizer, packed with high levels of potassium and chelated trace elements.

Benefits

- \\ Easy to mix
- \\ Completely water-soluble
- \\ Dust-free

How to use

- 1 Store under dry conditions.
- 2 Properly seal partly used or damaged bags.
- 3 If you need more information, please contact your technical support

Application rates

Trial first on a small scale before changing the rate, application, or any other variables. As circumstances can differ and as the application of our products is beyond our control, ICL cannot be held responsible for any
