

Ranger-Pro

The fast-acting biocide for external hard surfaces.

Description

Ranger-Pro is a professional biocide for use on external hard surfaces. The new and improved formulation contains wetters and spreaders to help improve surface coverage, as well as broader spectrum biocidal qualities.

Benefits

- \\ 99.9% effective against bacteria, yeast and viruses*
- \\ Cleans and removes algae, slimes and lichens
- \\ Reduces the risk of slippery surfaces
- \\ Fast-acting - results can be seen within 48 hours
- \\ Long-lasting effect
- \\ Economical to use
