

Nutri[®] Liquid

NPK 10-3-5

Recharge your crops with 10% nitrogen

10 | 3 | 5
N P₂O₅ K₂O

Guaranteed analysis

Oxide		
N	Total Nitrogen	10%
	Nitrate nitrogen (N-NO ₃)	2.5%
	Ammoniacal nitrogen (N-NH ₄)	2.5%
	Urea nitrogen (N-Urea)	5.0%
P ₂ O ₅	Phosphorus Pentoxide	3%
	Water soluble (P ₂ O ₅)	3.0%
K ₂ O	Potassium Oxide	5%
	Water Soluble (K ₂ O)	5.0%

Description

Nutri Liquid NPK 10-3-5 is a liquid fertilizer with NPK, containing a special formula to deliver crop nutrition in just one solution. It is tailored to your plants' exact agronomic requirements, providing the nitrogen, phosphorus, and potassium they need to bloom. Top efficiency, quality, and yield – and there's no prior dissolution required. If your plants need a good dose of nitrogen for energy to grow and produce fruit or vegetables, Nutri Liquid NPK 10-3-5 is packed with 10% nitrogen, 3% phosphorus pentoxide and 5% potassium oxide.

Benefits

- \\ A generous 10% dose of nitrogen
- \\ Total availability of nutrients
- \\ Precise, safe, and consistent dosing through fertigation

How to use

- 1 Since circumstances and application may differ, ICL cannot be held responsible for any negative results. Perform a small trial for the first time and before any new applications, dose changes, or other changes in your cultural practices.
- 2 For more information or recommendations, contact your nearest ICL distributor or representative for your area.

Attention

Trial first on a small scale before changing the rate, application, or any other variables. As circumstances can differ and as the application of our products is beyond our control, ICL cannot be held responsible for any adverse results. Contact your ICL advisor for more detailed advice.
