

ProSelect®

365 Super Sport

A new player has revolutionised the sport scene

Description

ProSelect® 365 Super Sport is a revolutionary 100% Poa pratensis blend that offers the best of what turf professionals demand. The blend combines the strengths of three excellent varieties, Enigma, Bluenote & Legend. 365ss is fast to germinate and establish, creating a dense sward with superior sod strength. The rich greenness and excellent quality provide outstanding visual appeal for both live and televised events. Under play, 365ss offer a very wear tolerant and stable surface, brought about by aggressive rhizomatous root development and rapid recovery after wear. Its excellent disease tolerance of Dollar spot and Stem rust assists in maintaining a healthy appearance.

Benefits

- \\ Rapid establishment
- \\ Highly stable, hard-wearing turf
- \\ Wide spectrum disease tolerance

How to use

Mowing height: 12 – 25 mm. If you need more information, please contact your technical support.

Attention

Trial first on a small scale before changing the rate, application, or any other variables. As circumstances can differ and as the application of our products is beyond our control, ICL cannot be held responsible for any adverse results. Contact your ICL advisor for more detailed advice.
