

# ProSelect®

## Renovator TRT

A tough turf that repairs itself

## Description

ProSelect® Renovator TRT combines all the qualities of the acclaimed Renovator 3GLSD, but enhanced with Torsion TRT Perennial ryegrass – for even greater self-repairing qualities. With lateral spreading and a high density as it grows, Torsion adds something really special to this new blend.

## Benefits

- \\ Created specifically for renovating hard-wearing turf
- \\ Intense coloring
- \\ Rapid establishment

## How to use

Mowing height: 15-40 mm. If you need more information, please contact your technical support.

## Application rates

---

Average sowing rate:	30 g/m <sup>2</sup>
----------------------	---------------------

Try first on a small scale before changing the rate, or any other variables. As circumstances can differ and the application of our products is beyond our control, ICL cannot be held responsible for any adverse results.

## Attention

Trial first on a small scale before changing the rate, application, or any other variables. As circumstances can differ and as the application of our products is beyond our control, ICL cannot be held responsible for any adverse results. Contact your ICL advisor for more detailed advice.
