

ProSelect®

Slugger RGL

100% Lolium perenne

Description

Springs into life Slugger 3GL is another top-rated NTEP performer to Join the ProSelect portfolio. Slugger 3GL combines all the traits you expect in a great variety, along with excellent gray leaf spot resistance. Slugger 3GL ranked at the top in turf quality under management schedules A and B. Slugger 3GL has excellent color and leaf texture, producing a dense attractive turf. Slugger 3GL also ranked at the top of the spring greenup NTEP trial, showing excellent winter-hardiness and the ability to grow and develop quickly in the spring.

Benefits

- Excellent gray leaf spot resistance
- Early spring green-up
- Winter hardy

How to use

Keep seedbed moist during germination and establishment. Germinates in 5-8 days with optimal soil temperatures or 21-28 days at low temperatures. Full coverage expected in 6-8 weeks. First mowing recommended when turf reaches approximately 4 cm in height. For best results, fertilize at annual rate of 20-25 g/m² of nitrogen. Deep, infrequent irrigation is best during cooler months. Increase frequency during the summer months. Reduce irrigation to assist spring transition. Recommended mowing height of 1 – 4 cm.

Recommended period of use

JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC

Application rates

For sports turf / residential / commercial, approximately **30-35 g/m²** in the early autumn and late spring.

40-60 g/m² for over-seeding dormant Bermuda grass.

Use highest rates in late autumn/winter/early spring.

Try first on a small scale before changing the rate, or any other variables. As circumstances can differ and the application of our products is beyond our control, ICL cannot be held responsible for any adverse results.

Attention

Trial first on a small scale before changing the rate, application, or any other variables. As circumstances can differ and as the application of our products is beyond our control, ICL cannot be held responsible for any adverse results. Contact your ICL advisor for more detailed advice.
