

Performance

A pro performance on and off the pitch

Description

Help your turf perform to the high standards of both athletes and families alike with Landscaper Pro® Performance grass seed mixture. Be it for sport or leisure, hit a home run by growing a strong and dense playing surface with exceptional tread tolerance. With a rapid-germinating formula containing a high proportion of red fescue seeds, this tailored seed mix promotes a beautiful fine leaf structure.

Benefits

- \\ Ideal for both family lawns and sports fields
- \\ Fast germination
- \\ Excellent recovery capacity

How to use

- 1 Recommended mowing height: from 15-25 mm.
- 2 Recommended fertilizer type: all granules.
- 3 If you need more information, please contact your technical support.

Application rates

Attention

Trial first on a small scale before changing the rate, application, or any other variables. As circumstances can differ and as the application of our products is beyond our control, ICL cannot be held responsible for any adverse results. Contact your ICL advisor for more detailed advice.
