Description

Greenmaster® Pro-Lite Pro Iron is an outstanding micro-granular fertilizer for high-quality, fine turf nutrition. The iron and magnesium deliver turf colour without growth. Perfect for cooler conditions or to provide impact for your surface, with effects lasting up to 6 weeks. The micro-granular particles disperse quickly and evenly, so you enjoy a rapid response and results you can depend on.

Benefits

- Micro-granules allows even distribution, even at low rates of application
- Release pattern delivers reliable results
- High-quality ingredients provide dependable release patterns

How to use

- 1 Apply year-round.
- 2 Contains iron. Do not apply in case of risk of contact with concrete, marble, stone, fabric, swimming pools, etc. If spilt on these areas, brush off immediately as the product can cause discoloration.
- 3 If you need more information, please contact your technical support.

Recommended period of use

JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NNOV	DEC

Application rates

Recommended Rate

30g/m2
