

ProSelect®

Fine Turf 1

The perfect mix for the perfect green

Description

If you're renovating greens or sowing new close-mown areas, ProSelect® Fine Turf 1 is just the ticket. This 100% *Agrostis stolonifera* seed blend combines the strengths of outstanding all-round tolerance to all the major greens diseases by using some of the best varieties available from the NTEP listings. Fine Turf 1 creates visually appealing turf with superb year-round colour, shoot density, and leaf texture. It's the choice of pros who want to turf that stands out in terms of health, lusciousness and colour.

Benefits

- \\ Creates fine, dense turf
- \\ High natural disease tolerance
- \\ Highest purity and germination available
