

ProSelect®

Premium Pitch

For a sports field that's pitch perfect

Description

ProSelect® Premium Pitch establishes a dense, hard-wearing blend of Perennial ryegrasses, delivering top performance for high-quality arenas, sports fields, golf tees, and racecourses. Not only can it withstand intensive use, but it has a high tolerance to heat and drought too. Outstanding visual quality with a mid-green color that looks great year-round, plus an excellent shoot density, disease resistance, and leaf texture. All varieties used are highly ranked on the UK STRI National list.

Benefits

- \\ Hard-wearing – ideal for sports turf, golf tees, and racecourses
- \\ Rapid establishment
- \\ Excellent recovery and drought tolerance

How to use

Mowing height: 20-35 mm. If you need more information, please contact your technical support.
