

## ProCrystal

Crystal-clear water just from one sachet

### Description

If algae's your problem, here's the answer. ProCrystal® is an eco-friendly solution that will restore the balance. Nutrient-rich slow-moving or stagnant water can be like a magnet to unicellular and filamentous algae, and they can deplete the water's oxygen content and make irrigation (or fishing, water sports or fish farming) a nightmare – not to mention the smell. Have no fear: ProCrystal® is here. These water-soluble single-dose sachets are so simple to use, and you'll see results within days.

### Benefits

- \\ Clearer water within just a few days
- \\ Easy single-dose sachets
- \\ Your natural balance restored

### How to use

- 1 If you need more information, please contact your technical support
