

# Sierrablen® Plus

## N-Start 3M

Nitrogen led controlled release fertilizer

30 | 5 | 5  
N P2O5 K2O

## Guaranteed analysis

Oxide		
N	Total Nitrogen	30%
	Nitrate nitrogen (N-NO3)	2.3%
	Ammoniacal nitrogen (N-NH4)	3.4%
	Urea nitrogen (N-Urea)	24.3%
P2O5	Phosphorus Pentoxide	5%
	Water soluble (P2O5)	3.7%
K2O	Potassium Oxide	5%
	Water Soluble (K2O)	5.0%

## Description

Start your turf on the right track with Sierrablen® Plus N-Start 3M mineral fertilizer. Aside from guaranteed all-round healthy growth, this high-nitrogen NPK formula is particularly designed to provide your turfgrass with rapid green-ups during strong growing periods or simply over spring, even under cooler conditions. Ensure a controlled 3-month nutrient release thanks to ICL's patented Poly-S coating technology, giving rise to that perfect lush, dense sward.

## Benefits

- \\ Rapid green-up even in cooler conditions
- \\ Controlled 3-month nitrogen release
- \\ Inhibits surge growth

## How to use

- 1 Apply directly to dry foliage.
- 2 Watering-in after application helps dispersion and boosts immediate effect. Do not apply during drought or frosty conditions.
- 3 You should apply following completion of aeration programs, including scarification, slitting and/or hollow tining to prevent damage to the granules.
- 4 If you need more information, please contact your technical support.

## Application rates

Average Recommended Rate:	30.00 g/m <sup>2</sup>
Recommended Rate:	25.00 – 35.00 g/m <sup>2</sup>

Trial first on a small scale before changing the rate, or any other variables. As circumstances can differ and the application of our products is beyond our control, ICL cannot be held responsible for any adverse results.

## Attention

Trial first on a small scale before changing the rate, application, or any other variables. As circumstances can differ and as the application of our products is beyond our control, ICL cannot be held responsible for any adverse results. Contact your ICL advisor for more detailed advice.
